

Vaccinations - 1st April, Reminder.

The School Health Team will be coming to The Learning Centre School **tomorrow**, to give Polio vaccinations (OPV) and Diphtheria Tetanus, for **Standard 1 students** (if they have not received it yet), the **Form 1 students** will be getting a Tetanus Toxoid Vaccine (TT), (if they have not received it yet).

Please be sure that your child doesn't miss school tomorrow.

NB: Only those children with signed consent forms will be vaccinated.

PLAY ABACUS....

We are planning to offer the Play Abacus program in our Primary School.

Play Abacus helps to develop the mathematical and brain skills of young children using the abacus. The programme will be staffed by TLCS teachers and will be an afternoon activity beginning in Term two.

Through Abacus, the children become extremely proficient in all 4 basic arithmetic operations. We were privileged to host a demonstration here earlier in the term and the children were so eager to participate. We need to know how many families are interested so we can know how many teachers should be trained.

There is a one time registration fee of P200 to be paid, and a kit charge of P50 at the beginning of each level. There are six levels that last 3 months each. The three month term fee for each level is P375 which can be paid monthly @ P125. Fees once paid are not refundable or carried for another term in case the student fails to attend classes.

Please see the attached brochure for further information. We will not be participating in any of the other programs offered by Play Abacus - only the Abacus program .

If you are interested, please fill in the attached form and return to our offices by Friday, April 4th with the registration fee.

Have a great term break!!

Student reports.....

Will be available to be picked up from the class Teachers by Thursday, April 4, 2008, at 12:00pm.

Registration For Term Two

If your child is not yet registered for 2nd term, please get them registered to ensure a place for them next term. A non refundable deposit of P1000 is required by the end of this term. This deposit is deducted from the fees for next term if the student returns.
