Joel Kurangwa Form 5

I would like to take a short while to express my gratitude to all the teachers and students that made it possible for me to be where I am today. First, I would like to thank God, for if it wasn't for His grace and mercy, Lord knows where I might be today. Secondly, I would like to thank Mr. and Mrs. Workman for all the hours they have invested in me as an individual and the school as a whole. Through the guidance of God, they've managed to run the school.

As for the teachers, I would sincerely like to thank each and every one of them who helped me be a better person, not only academically, but personally and socially as well. They all served beyond their call of duty, and for that I'm thankful.

This school and all its staff and students have definitely built a strong foundation for my life, and I intend to use this foundation to build a successful life which is pleasing to both God and man.

Thank you.

A Big Thank YOU...

Also to the Van Rensberg family who donated decorations and party food for our Preschool Christmas party.
