A big thank you to JB sports who helped us so much this year. Recently they donated a volleyball kit for the school

The pool refurbishment is nearly finished. We hope to be able to have students in the water next week. Thanks for your patience.

Christmas clothing drive..

Botswana Baylor Children's Clinic Centre of Excellence has invited us to participate in a clothing drive for children in Gantsi

district. Please feel free to bring good clothing your children may have outgrown or if you would

like to purchase something new!

Please do not bring things that are torn or dirty. Give as you would have someone give to you!

These can be summer or winter clothes. Next week we will set up a drop off centre by the parking lot during morning

drop - off and afternoon pickup.

Registration is now on for 2009. We seem to have a good number of new students entering so please be sure your child is registered in order for them to have a place.

If your child primary is walking home from school at the end of the school day, please write a note of permission to the school for us to keep in his/her file.

Christmas program...

Primary girls should wear solid colors—red, blue, green or gold dresses or top/skirts, knee length.

Boys should wear navy blue or black trousers and white short sleeved shirts. No jeans please.

The Christian life is not a constant high.

I have my moments of deep discouragement.

I have to go to God in prayer with tears in my eyes, and say,

'O God, forgive me,' or 'Help me.'

Excerpt from a speech to the Secondary children by:

Hannah Beesigomwe, Form 5.

Good morning teachers and fellow students. First of all, I would like to say to all my teachers, thank you for all you've done and for teaching me all I need to know. I'll remember you always no matter where I go. Thank you for teaching me to be bigger, stronger and smarter not only academically but spiritually and emotionally as well. I wasn't always so well behaved, but I was always so well taught. I will greatly miss you.

To all the friends I have made here at TLCs, young and old, I would like to say that you are all very special to me. Meeting each one of you is a great blessing of which I'll always thank God for. Thank you all once again for all you've done for me, for the love you've shown me and for making my school life here at TLCs a memorable and truly unforgettable experience.

My faith is a souvenir of this wonderful school. The chapels and the Bible classes greatly increased my knowledge of God and that is a gift I will cherish forever.

Thank you.
