## *Welcome* to our Term One Parent-Teacher Meetings

We are glad you have come. Communication regarding your child's education is so very important.

Please confirm with your class teacher that your phone/address details remain the same. Also confirm with your class teacher the method of pick up for your child. We need to know what days you want them to stay for afternoon activities as well. If the time allotted does not give you sufficient time to communicate well, please make an appointment for some time next week when the teacher can be available.
