TLCS news & views

Parents of students who leave campus during lunch hour must communicate that request verbally with the class teacher. If you do take your child for lunch and return them for activities or sport, please be punctual.

Pardon our dust!

Construction continues on our new kitchen/tuck shop.

No hot meals until further notice.

Uniform reminders!

Students must wear new uniform jerseys, shirts and ties.

They must also wear regulation school shoes.

If you have any good instruments at home that you do not use and would be willing to donate for a music club at TLCS, please contact Mrs. Pretorius via the school office.

We are not looking for toy instruments but rather instruments of **good quality** – guitars, keyboards, wind instruments, drums, etc.

We would love to have some parent-volunteers for our afternoon activities.

You would not have to be in charge, we would want you to help the teacher responsible. This term offers many different sporting activities. We can always use a helping hand with sports, reading club or discovery club.

If you would like to volunteer, please contact our school office.

June 25th - Parent Teacher Meetings

From 13:30hrs – 19:00hrs

The safety of our children at drop off and dismissal is of paramount importance to us. We are having some taxi drivers drive irresponsibly on our campus. Please inform your driver to abide by our campus guidelines or risk having that driver banned from the campus. They must drive slowly and join the queue properly.

Mock exams for Form 5 begin June 15.

Friends and Family Discount....

P 300 for every child you refer to The Learning Centre School that is accepted and pays their term fees in full.

**** Please be in prayer ****

Our under 11 Soccer and Netball teams will travel to Acacia tomorrow for a tournament. Pray for safe travel.

Miss Angela our uniform and tuck shop manageress is not well.
