Volume 2010, Issue 10

February 24

THANK YOU THANK YOU to all those who attended our Parent-Teacher Meetings, Monday. It is always great to see you and work with you for the good of your child.

We appreciate your input to our school.

TLCS is growing and having some growing pains. Please be patient with us as we work through some of them, like afternoon pickup! We would also be happy to have parent volunteers to help our teachers with afternoon activities.

NO AFTERNOON ACTIVITIES tomorrow, Thursday, February 25. NO SCHOOL FRIDAY – MID-TERM

We can't wait for FAMILY FUN DAY, March 6

Our organizers are looking for donated prizes for our raffle and games. If you can donate, please let us know by Monday, March 1st. Every year, you donate some good prizes and we look forward to seeing what you will bring this year.

CAKES!! The most delicious cakes were found last year at Family Fun Day! We discovered we have some good cooks in our TLCS homes! If you can bake a cake and donate it for our sidewalk cafe, please let us know by Monday!

Parent Volunteers wanted and needed! If you would like to volunteer at Family Fun Day, please leave your number at our school office and we will get back with you.
