If your child has forgotten their food, you may drop it at the campus registration desk in the front hall. They will make sure it is delivered. However, we cannot have food delivered by outside companies at this time. All communication should as always, begin in the child's diary or you may email to the addresses listed.

Nurse's Office

If the nurse or your child's HOD calls to inform you that your child is not feeling well, it is important that you come right away to the school to collect them. We must have a number where we can reach you at any time AND an emergency number in case you are not available. Check your child's diary to be sure the numbers are up-to-date.

Uniform shop New Hours

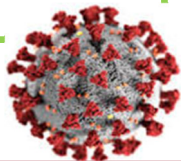

For your convenience, we have changed the uniform shop hours. The shop will be open from 7:00 – 8:30 and from 11:15 – 1:15 until further notice.

Kindly remember that we have stipulated that no skinny jeans and no torn jeans should be worn to school

2020 SCHOOL CALENDAR

Revised School Calendar

We are currently revising the school calendar. We will notify you of the changes.

A reminder: not every sneeze, cough or fever is COVID-19. **#washyourhands**

Even off campus, please abide by the current health guidelines. Stay home unless you have to be out. Practice social distancing. Wear a mask. Wash your hands!

The more we abide by the guidelines, the safer we will be. We'd like our schools to remain open for the remainder of the term. In order to do that, we must all work together even off campus.

No mask? We are all trying to get used to having a mask with us. For those times your child has forgotten his/hers, we have some available in the uniform shop. If your child comes to school without a mask, we will provide one for him/her and invoice you for the P25.

Entrance Exam

Our Standard 7's will write their Form 1 entrance exams for TLCS on Wednesday, July 8th in both sessions.
