Valentine's Day @ TLCS

February 14, Students will be allowed to wear home clothes "civvies". This means a non-uniform day. Students may dress in Valentine colors; Pink, White or Red for P10.

The Learning Centre sets aside to raise some funds for the Botswana Baylor Children's Clinical Centre of Excellence. The fee to participate must be paid prior to or on the day of participation.

Students are however reminded that they must abide by the school uniform code when choosing an outfit. Students not complying with the uniform code will be sent home.

PLEASE LABEL

Please label everything your child brings to school. Also please check when your child arrives home that the hats/clothes/supplies, etc. , belong to them. Children being children, sometimes pick up someone else's things without realizing. Check the items to be sure your child's name is there and not someone else's name. Please return to Lost and Found any items that are not yours.

COVID 19 Vaccination

The Department of Health will be conducting an onsite vaccination for students aged 12-17, on February 18, 2022.

Consent letters will be sent home next week.
